

**Product Name : ATRACTO GOLD**  
Water-based Decorative finish with Crystal Effect  
Product Code: 102

## DESCRIPTION

ATRACTO GOLD is a decorative finish for interiors with special iridescent effect, soft to the touch and with a silky appearance, perfect for creating classic and modern atmospheres.

## SPECIFICATION

- ✓ ATRACTO GOLD is water-based paint with unusual silk and gold effects
- ✓ ATRACTO GOLD is washable
- ✓ ATRACTO GOLD has a low odour level, is non flammable and is friendly both to humans and the environment.
- ✓ ATRACTO GOLD can be applied to all kinds of plaster surfaces, as well as wood and metal panels, as long as they are treated with appropriate primers.

## APPLICATION INSTRUCTIONS

Ensure that the surface is clean, dry and free from peeling paint or any substance that may compromise adhesion.

IF there are defects on the surface, these should be smoothed with Sandeco Acrylic Putty  
Prime the surface using the specific decorative primer Sandeco Decoprimer.

Using a varnish brush, apply two coats of Sandeco Decoprimer thinned with %10-%15 of water and let them dry for 4 hours before applying ATRACTO GOLD

Make sure that both the ambient temperature and the substrate temperature are between +5°C and +35°C
