

Product Name: COMETA MULTI
Water-based Decorative Paint
Product Code: 105

DESCRIPTION

Acrylic emulsion based decorative paint that unifies colours, contrasts and brings to the wall enchanting appearance.

SPECIFICATION

- ✓ It is particularly suitable for indoor places.
- ✓ Decorative paint with flakes which give an antique looking in the paint.
- ✓ Creates a unique old-looking wall with its characteristic granular structure.
- ✓ The product has a low odour level, is non flammable and is friendly both to humans and the environment.

APPLICATION INSTRUCTIONS

New surfaces should be dry and thoroughly mature. On old surfaces or previously painted surfaces, remove deposits of dust, smog or other impurities by brushing or washing. Follow this by applying, if necessary, a coat of the SANDECO ACRYLIC PUTTY.

Using a varnish brush or roller, apply two coats of Sandeco Decoprimer thinned with %10-%15 of water and let them dry for 4 hours before applying COMETA MULTI

Apply COMETA MULTI with colored or white in an irregular fashion by means of special flat brush. After letting 10 minutes elapse, lightly brush the still damp surface with the flexible plastic spatula. Allow to dry in order to appreciate the finishing.

Product Name : COMETA MULTI
Water-based Decorative Paint
Product Code: 105

TECHNICAL FEATURES & PHYSICAL CONSTANTS

COLOURS	Available in a range of SANDECO special color card which can be further increased with special colors
DENSITY	1,03 ± 0,02 gr/cm ³
VISCOSITY	105- 120 KU
PH	7 – 7,5
VOLUME SOLIDS, %	20 ± 2
GLOSS GRADE	Matt
FLASH POINT	Non-flammable.
THINNING	Water
DRYING TIME	Dry-to-touch, 4 - 5 hours / In depth, 24 - 48 Hours (recorded at 23°C)
CONSUMPTION	Depending on porosity of surface and environmental conditions 0.115 – 0.145 L /m ²
TEMPERATURE FOR APPLICATION	+ 5 °C - + 35 °C
APPLICATION TOOLS	Varnish Brush
SIZES & PACKAGING	2.5Lt - 7,5Lt
STORAGE AND SHELF LIFE	1 years, unopened in cool frost-free conditions
WARNING	Keep out of the reach of children. Avoid contact with skin and eyes
