## **Precautions**

- All thinners above are based on flammable solvents. Do not keep near high heat i.e. naked flames, cigarettes, fire etc.
- Thinners are volatile and must be used off in well ventilated areas.
- Do not consume or swallow thinners.
- Constant skin contact with some thinners may cause Dermatitis; wear hand gloves
- Wear goggles when handling thinners
- Mop floors dry immediately if splashes occur.

For further information on thinners contact our Technical Service Department.
